

# Erratum

Please note the following error, which has only recently been brought to our attention.

*Journal of William Morris Studies*, Vol. XIX, No. 1, Winter 2010. Review of Laurence Davis & Ruth Kinna, *Anarchism and Utopianism*, Manchester University Press, 2009, 285 pp., by David Goodway, pp. 94–97.

Page 94, para 1, sentence 2 should read

Although I have a considerable interest in literary utopias, this is not because I find them socially plausible or consider – with the notable exception of *News from Nowhere* – they would be pleasurable to live in, but because they are most revealing of their author or of the time and place in which they were written.
