

*Erratum*

Apologies to David and Sheila Latham for the lack of mention of their Morris Annotated Bibliography 1998-1999 on the contents page of issue 14:3 (Winter 2001).

Chris Fletcher's article, 'A Rediscovered and Partly Unpublished Morris Notebook', in issue 14:3 (Winter 2001) should have acknowledged permission from the Society of Antiquaries, London, the copyright owners of Morris's estate.
