

Sir

When there is already popular confusion between Kelscott House and Kelmscott Manor, it is unfortunate indeed that the *Morris Society itself* should add to it by a misstatement in the Editor's note on page 28 of the *Journal IV*, No 1 (Winter 1979).

I hope this may be corrected in the next issue.

A.R.Dufty
Hon Curator of Kelmscott Manor

Mea culpa. Of course the note should refer to Kelmscott House. Ed.
